

## Partners

We are proud to work with the following companies who offer specialist services that can provide additional support and expertise to our projects when required.

### [www.microsoft.com](http://www.microsoft.com)

PDMS are proud to be Microsoft Gold partners, acknowledging our superior levels of expertise and experience in working with Microsoft products and technologies. Many of our staff have passed Microsoft's demanding examinations to become Microsoft Certified Professionals (MCP), Microsoft Certified Application Developers (MCAD) and Microsoft Certified Solutions Developers (MCSD). By achieving Gold Status, PDMS have in-depth access to a wealth of exclusive Microsoft benefits including high level technical resources and support and early access to new products and services.
