

PDMS at European I-Gaming in Copenhagen

PDMS will be participating in this year's I-Gaming (EiG) event as part of a larger Isle of Man delegation, lead by the Department of Trade & Industry. EiG is the leading internet gaming event in the world and attracts attendees from a variety of different fields including law, regulation, finance, software and payments, from over 60 countries. PDMS will be on the Isle of Man Government stand promoting our gaming software platform and software engineering expertise. To find out more about EiG please visit www.eigexpo.com
